# MI CREATIVE POTENTIAL **LOGIC MODEL**

MI CREATIVE POTENTIAL

COLLECTIVE IMPACT

MI Creative Potential is a collective impact initiative to advance quality K-12 arts education access via data collection, strategic collaboration, MAEIA resources, and a statewide action agenda.

NEEDS

Disparities exist in arts education in Michigan. Despite the evidence of the benefits of K-12 arts education, the arts are not consistently available to the children who need them most.

RESOURCES

- State, regional, and community collaboration
- National engagement
- Grants, contributions, and allocations
- Artlook data platform
- MI Continuous Improvement Resources
- MAEIA arts education resources
  - Michigan Blueprint of a Quality Arts Education and Program Review Tool
  - 360 Performance Assessments in Music, Dance, Theatre, and Visual Arts
  - Professional Learning to support: collaborative scoring, demonstrating educator effectiveness, and formative assessment in the arts

OUR CONSTELLATION

NATIONAL ENGAGEMENT
- National Endowment for the Arts
- Arts Education Partnership
- State Education Agency Directors of Arts Education
- National Assembly of State Arts Agencies

MI ARTS ED COALITION
- Michigan Arts Education Instruction and Assessment project
- Michigan Department of Education
- Michigan Arts and Culture Council
- Michigan Education Association

MI COLLABORATORS & CONSULTANTS
- Michigan Arts Education Associations
- Parliament Data
- Public Policy Associates

REGIONAL ARTS EDUCATION NETWORKS
drive improvement through collaboration and implementation of resources between:
- Intermediate School Districts
- K-12 Arts Educators
- Teaching Artists
- Community Arts Education Providers
- Arts and Cultural Venues
- Regional Funders

STRATEGIES
- Implement Artlook data and networking platform
- Build Regional Networks
- Connect collaborators
- Publish MI Creative State Report
- Monitor progress via ongoing evaluation

ACTIVITY CHANGE
OUTPUTS
- Foster public and private collaboration
- Increase student arts experiences
- MAEIA, MACC and MEA tailor support
- Collect, analyze, and report data
- Customize Regional Improvement Plans
- Inform local Improvement Plans (MICIP)
- Develop Arts Education Action Agenda, Roadmap for the Future, and toolkit

SYSTEMS CHANGE
OUTCOMES
- Data-driven value shift fosters growth for students, communities, and state.
- Partnerships yield steadfast trust, collaboration, and communication.
- Increased access to the arts in schools.
- Arts education integrated as a vital component of a well-rounded education.
- Increased funding through state, federal, and philanthropic pathways.
