

The [Michigan Assessment Consortium](#) (MAC), with support from the Michigan Department of Education (MDE), Michigan Arts and Culture Council (MACC), and the National Endowment for the Arts (NEA), **is inviting select districts to participate in Year 2 of a four-year statewide rollout of *artlook® Michigan***. This is the data collection and reporting pillar of [MI Creative Potential](#), a collective impact initiative to advance equitable access to quality arts education for all of Michigan’s students.

Participation in **MI Creative Potential** and ***artlook® Michigan*** includes:

- Completing the *Michigan K-12 Arts Education Survey* **before November 30, 2026**
- Using your school’s *artlook® Michigan* arts education data report in your district/school continuous improvement planning process aligned to the *Michigan Blueprint of a Quality K-12 Arts Program*
- Receiving arts instruction and assessment resources developed by [Michigan Arts Education Instruction and Assessment \(MAEIA\)](#) project, which is a component of MI Creative Potential
- Searching *artlook® Michigan* for Community Arts Partners for in-school residencies, field trips, and out-of-school-time arts programming
- Using school and community arts partnerships for grant funding from organizations such as the [Michigan Arts and Culture Council](#), [Michigan Lifelong Education, Achievement, and Potential \(MiLEAP\)](#), and local funders
- Receiving arts-specific professional learning opportunities for educators, administrators, and community arts partners
- Invitations to participate in Regional Arts Education Networks as they develop in ten regions throughout the state

As the *artlook® Michigan* roll-out continues, new schools are added each year until all schools are included. The annual survey takes about 45 minutes in the initial year and about 15 minutes to update subsequently. The school benefits far exceed the investment time completing the survey.

Note: We send email communication to the principal names and email addresses on file from MDE records. We realize some of the information may be outdated and ask for your patience as we navigate changes to school contacts. Principals name an “arts liaison” for the school who becomes the main point of contact and leader of school survey completion.

Questions? Email us: mcreativepotential@michiganassessmentconsortium.org
